Dear Greg,

Re: Play Area

Further to your recent enquiry, I have pleasure in submitting our attached quotation for the supply and installation of new Bow Top Fencing at Kingston Fields play area.

All prices shown are quoted **exclusive** of Value Added Tax.

Unless otherwise agreed to the contrary in writing, this quotation remains firm for 60 days and may be accepted by notice in writing. After this date we reserve the right to re-estimate for any outstanding work at current rates.

This quotation is subject to Playquip Leisure's standard terms and conditions, a copy of which can be viewed at www.playquip.co.uk or a printed copy is available upon request.

We trust our quotation meets with your approval and look forward to receiving your further instructions. Should you require any additional assistance please do not hesitate to contact me.

Yours sincerely

On behalf of **PLAYQUIP LEISURE**

Paul McHenry

QUOTATION

Bow Top Fencing

Bow Top Playground Fencing is an attractive system that is often used around play areas. Playquip's bow top fencing follows RoSPA guidelines to make it as safe as possible.

The nature of the bow top playground fencing system means that parents have an unhindered view of their children in the play area, and the system itself means that children can play safely. The bars and 'bows' are spaced so as to minimise the chance of wrist or neck trap occurring. The vertical bars are very difficult for children to climb and so help ensure they stay in the play area. All bow top fencing posts, panels are hot-dip galvanised, then powder coated.

- RoSPA compliant
- Slotted cleats allow panels to be installed either on the flat or stepped as desired
- Mid panel feet to support the panel to prevent sagging
- Attractive appearance
- Vandal resistant
- Strong
- High visibility
- Manufactured using mild steel materials, made from recyclable steel and locally sourced.
- Galvanized to BS EN ISO 1461: 2009.
- Secured with tamper resistant fittings as standard to minimize theft.
- Hand fettled to remove any galvanizing sharps.
- Available in Green RAL 6005

To remove the current wooden fencing along with posts and concrete footings.

***To supply and install 122 linear meters of Bow Top Fencing powder coated
green along with re installing the current gates*** **£13,474.02**

End of Quote

All orders over £10,000 will require a 50% deposit at the time of order.

All spoil is to remain on site and disposed of to an agreed location, we can if required remove the spoil which we will be happy to quote for.
