

Agenda Item 18: Live-streaming equipment for Town Council meetings

This equipment is intended to simplify the recording of Council meetings, and to locally amplify the voices of Councillors, so that what is said during a meeting can actually be clearly heard.

The equipment will also provide an audio feed to the webcam which will publicly stream meetings.

Meetings will be streamed through the Town Council Facebook page.

Outline costs:

Recorder with built-in speakers	£129.00
Additional speaker	£ 17.31
(both devices in centre of table)
